KIDDIE COVE's preschool, Fun Filled Foundation stage program is exclusively designed for the fundamental understanding of a kid's brain, which tends to undergo an exceptional development during the initial 6 years of life. We help your child to embark on a learning journey, which will lay a strong foundation for his or her lifelong academic & social development. The main objective of this school is to instill independent learning, good communication skills, and creative thinking to arm your child to cope up and flourish in tomorrow's world. Let your child experience multi level activity based learning.
