Kiran Ashri is the best divorce lawyer in Gurgaon, who represents her advocacy gene in her dream profession. She has taken up the challenge of reducing litigation time taken in the courts. She combines passion with professionalism and comes across as a humble and affable individual with a promise to reduce litigation time taken in courts thereby reducing harassment of the clients. She took a huge risk of moving from a predictable and dependable career track with greater financial remuneration and status job to a profession of uncertainty, that required reinvestment of efforts and financial resources towards education and start-up. She seized the opportunity to provide highly efficient yet effective, personalized, professionally rendered, legal services and turned it to her advantage. Today she is proud of the fact that she is living her passion through her profession and has successfully made her mark too. Kiran Ashri keeps you motivated and personally guides you in making important decisions about your case, calmly and effectively.
