**Landyoung Group Co., Ltd.** is a manufacturer specializing in producing steel wire products since 1989.

Now we export 10,000 tons Galvanized wire; 1000 tons Barbed wire; 1000 tons Concertina razor wire and 600,000 M2 Gabions per month. We have 15 Straight-line Drawing Machines and 4 electro galvanizing lines and 7 hot dipped galvanizing lines, 10 barbed wire machines, 20 concertina razor wire machines, 8 gabions machines. We also have professional wire-drawing workshops, hot dipped / electro galvanizing workshops, cleaning workshops and quality test workshops in the factory.

So far, we have already found 5 branch factories as follows: Galvanized Wire Factory, Barbed Wire Razor Wire Factory, Gabions Factory, W-beam Guardrail Factory, and Rubber Hose Reinforcement Steel Wire Factory.

After more than ten years of development, the company already has 1000 employees. Long-term business practice accumulating a wealth of business experience, the company brings together a large number of outstanding professionals, and has established a certain level of sales and marketing network both at home and abroad.

The company's main products are wires and meshes.

Wire: BWG6# to BWG22# Hot dipped galvanized wire, Electro galvanized wire, Barbed wire, Concertina razor wire, Annealed wire, PVC coated wire, Straight cut wire, Rubber hose reinforcement steel wire.

Mesh/Fence: Gabion, window screen, Chain link fence, Welded steel wire rope, barbed wire.

The company has passed the Certification of ISO9001: 2000 Quality Management System.

Since the company establishment in 1989, it has been adhering to the 'Customer First, Credit Utmost' business philosophy, fully committed to the domestic and overseas partners to provide our quality products and professional projects and excellent services. We pay attention to both quality and efficiency, and try our best to let you enjoy the most cost-effective products.
