StoreFresh Value Chain LLP is 3PL company specialising in Warehousing, Cold Storage, and Inventory Management. We are leading the way in introducing world-class technology & automation, by applying best practices in infrastructure, people, processes, & domain skill-sets resulting in reduced time and cost to market. We are working with brands like PepsiCo, Coldex (Oyo Rooms, Burger King, Jubliant, PVR), Nova, Gemtree, PSPL (Tata Steel), Big Basket, More, and few other eCommerce Companies.

StoreFresh takes the responsibility for the storage of goods, revenue, assembly, loading, labelling, repacking and distribution. Additionally, they also collect and transmit the data to our clients.
