The pattern of the cushion cover must be in line with the overall style of the sofa. If, for instance, you own a classic designer wooden sofa, you could select a floral pattern or a hand-block style. Asymmetrical geometric shapes, unusual geometric styles, and fashionable cuts aren't a good match for traditional sofas. Pick the right **throw pillow covers** for the most effective effect. <https://somashop.com/shop/home-furnishing/bedroom-livingroom/cushion-covers>
