M-Classifieds is a customer acquisition company that helps various categories of business to grow. Our revolutionary method makes it possible for small and big businesses alike to get new customers regularly. Our work experience with special business chains and intensive research in the industry over the past 4 years has made us excel at what we do. The USP is that we can help the business grow in a particular location and we give them the facility to target their very own audience in a very economical range. They can not only promote their business through text but we also give them the facility to promote their business by adding their website and their facebook page and google map in the text itself.
