MANLON - Spiral Cables are manufactured in various wire sizes, no.of Cores and different

Expandable (Working) lengths. MANLON - Spiral Cables offer a longer life than typical linear cables during equipment movement operation. **Spiral Cable - MANLON** make is also known as **Coiled Cable** or **Curly Cable**. When you take one end of spiral cable and pull it, you get a much longer extended length. We use specially formulated thermoplastic polymer for outer jacket to give fast retraction and long life to spiral cable. [Customized spiral cables & cords](#) are also manufactured and supplied.
