

Measurement and metrology Equipments- Banbros engineering

Address	49/39, Site 4, Sahibabad Ind Area
Contact Person	Sachin
Mobile Number	7065254321
Email	sachin@banbrosindia.com

Banbros Engineering - Leading manufacturer & supplier of high precision Measurement & Metrology equipments,.

We are the manufacturer & supplier of Metrology Equipments like Profile Projectors, Tool Maker Microscopes, Hardness Testers , Metallurgical Microscopes, Video Inspection Systems, Stereo Zoom Microscopes, Image Analysis Systems, Specimen Preparation Equipments.

BANBROS ENGINEERING having its excellence of 25 years in manufacturing measuring, Metrology & Metallurgy equipment and supporting different industries in their better quality control by providing them best & affordable products & services.

Our Product range -

Optical Measuring instruments

- Measuring Microscopes
- Profile Projectors
- Vision Mesuring Machines
- Video Profile Projectors

Hardness testers -

- Brinell Hardness Tester
- Rockwell Hardness Testers
- Vickers Hardness Testers
- Micro Hardness testers

Universal Hardness Testers

Industrial Microscopes -

- Metallurgical Microscopes
- Stereo Zoom Microscopes

Environmental Test Equipments

- Salt Spray Test Chamber
- Steam aging test chamber
- Temperature & humidity test chambers

Specimen Preparation Equipments

1. Abrasive Cutoff machine
2. Grinding & polishing Machines
3. Specimen mounting press
4. U/V notch cutters

Material Testing Machines-

1. Universal Testing Machine
2. Tensile Testing machines

Non-Destructive Inspection Instruments-

- portable Hardness Testers
- Surface Roughness Testers
- Coating thickness gauges
- Ultrasonic thickness gauges
