Mussoorie International School is an all-girls residential school - located in the pristine hills of Mussoorie, India. About 33 km away from Dehradun city. The school was founded in 1984 to educate the girl child. The school tries to develop in our students the power of tolerance, acceptance, and respect for oneself as well as others with technological, pedagogical and creative advances. It helps to inculcate both traditional values and modern outlooks. It facilitates the students taking charge of their learning by organizing various curriculum activities.
