Mystery rooms may be easily regarded as one of the most popularly acclaimed games these days that one is found to take part in. Coming in with a unique and extremely thrilling experience, mystery rooms seek to provide entertainment, by way of its mystery junkies. Each mystery room unravels with the sole aim of the players being, to escape the room within the stipulated time. Mystery rooms are beautifully decked with wonderful themes, which helps transport players into an imagined reality.

Each mystery room might appear to be quite difficult at the first glance, but eventually as the game unfolds, things become clearer and the game comes to be perceived as something not as difficult. By solving the riddles and brainstorming the puzzles, players are gripped to the core with an exuberance of thrill as they approach the mystery rooms. **Mystery rooms** have with their massive popularity amongst people of all age groups, set out to conquer the nooks and corners of the world, with the amazing gaming experience that they deliver.

One of the most fascinating features of mystery rooms is that these mystery rooms do not ask for any form of heavy physical exertion on the part of the players. This in turn makes it highly suitable for kids as well as even for people who are above the age of 60. Mystery junkies are suitable for almost any age group and is a promising escape from the chaos of everyday life. Be it family, a group of close friends, a team of colleagues seeking to unite, fellow tourists or even game fanatics, mystery rooms are well suited for every interest and age.

Furthermore, one of the newest ventures that mystery rooms have come up with in the advent of the global pandemic situation is the very idea of indulging in mystery rooms from the comfort of home. People who are invariably stuck at home as a result of the pandemic situation, can now quite easily enjoy themselves in **mystery junkies**. These online escape games have been acclaimed quite generously by the large sections of people stuck in the boredom of life at home.

Mystery rooms are now spread all over the cities in India, with the aim of providing a real-life gaming experience to cherish for long. Each mystery room in Bangalore is highly efficient in making its players put on the Holmes cap and seek for clues to solve the puzzle, and hence, 'escape'. Even the mystery room in Koramangala, is heavily acclaimed by players and held in high regard. The mystery room in Bangalore has become the area of interest of even tourists who happen to visit the city of Bangalore. Hence, when going out for sightseeing while in the city, it is not quite uncommon to find tourists to drop in for a
