The Government of India has established the National Small Industries Corporation (NSIC), an ISO 9001:2015 Certified organization under the Ministry of Micro, Small and Medium Enterprises (MSME) to develop and promote Micro, Small and Medium Enterprises (MSMEs) in the country. National Small Industries Corporation (NSIC) has a countrywide presence and its offices are located in the best place in a city. National Small Industries Corporation organizes training sessions for entrepreneurs to develop their skillset and to provide other facilities to small-scale industries.

### Vision

To facilitate in growth of Micro, Small and Medium Enterprises

### Mission

To promote and support Micro, Small & Medium Enterprises (MSMEs) Sector by providing integrated support services encompassing Marketing, Technology, Finance and other services

### What is NSIC Registration?

The National Small Industries Corporation (NSIC) is a Government organization tasked to promote small businesses in India by providing them financial assistance, infrastructure development and required information about their business. The NSIC registration for small businesses is mandatory to avail the benefits of the schemes initiated for the small industries.

### What are the NSIC schemes?

There are various kinds of schemes launched, from time to time, by the National Small Industries Corporation (NSIC) for its registered members. Some of these schemes are as following:

- Single Point Registration for the small businesses
  - Bank Credit Facilitation to the registered members
  - Raw Material Assistance for discount billing or subsidies
  - Consortia & Tender Marketing Scheme for enhancing the reach and avenues of small industries
  - Infomediary Services/B2B to network the small business and to increase the transactions within the small businesses
  - Exhibitions to educate and train the small business owners.
  - Infrastructures Development to support the small industries
-

- Marketing Intelligence Services to better target their marketing resources and increased revenues for small businesses
- Technology Incubation under PPP Mode
