Mobile Number 9310850338
Email elliottwaveinstitute004@gmail.com

Elliott Wave Theory is a method of technical analysis that looks for recurrent long-term price patterns related to persistent changes in investor sentiment and psychology. The theory identifies waves identified as impulse waves that set up a pattern and corrective waves that oppose the larger trend.

Online trading course by Elliott Wave Institute. This online course is designed to provide beginners and experienced traders alike with a complete introduction to trading in the FX markets. This course includes the latest techniques as well as rules of the trade for fundamental analysis and technical analysis. It also provides numerous links and resources for further learning.
