**Nexgits** is a revolutionary IT consulting company based in Ahmedabad. We hold extensive expertise and a skilled workforce across Mobile Game Development, **AR/VR, WebGL, Artificial Intelligence, Machine Learning, and Product/Business promotional applications**. Founded in 2021, we are a progressive group with a sharp mission of exponentially growing your business and preparing it for the next-gen challenges. Our technological solutions are alike. Your target audiences and selling points are the focal points of our workflow. So, our solutions are bound to impress your clientele and leave an everlasting impression on the industry.

**Our Mission:**

In the next ten years, we envision becoming global leaders and the best service provider in Mobile Gaming, AR/VR, and AI/ML terrains. Also, our group wishes to unlock the less explored and immersive Metaverse dimension in the upcoming tenure.

We are building a dazzling future and emerging with a platform where every seed can grow into a majestic tree fruiting higher potentials, more opportunities, and extensive capabilities. The Nexgits team helps you leave footprints in the evolving areas, stay up to date with the latest industry trends, and march with the ever-changing landscape through cutting-edge IT solutions and immersive technologies.

**Our Vision:**

With changing times and technologies, we prefer to touch the sky by staying grounded at the same time. Our goal is to provide the best-in-class services with cutting-edge solutions, and still stand out as a cost-effective service provider amongst our peers. Finally, with all things mentioned above we strive to provide the utmost client satisfaction now and always.
