Olatech Solutions is a public limited company with ISO 9001:2015 certification that is also registered with MSME and the Government of India's Startup India Initiative.

We are the best Digital marketing agency in Navi Mumbai and provide digital solutions, software solutions including NOC tools, network monitoring, administration and analytics, secure user and device authentication and data centre infrastructure management. These are just a few examples of key services.

Working with clients from a variety of verticals, including telcos, ISPs, businesses, public sector organisations and data centre service providers, has helped us develop experience.
