Prizma Academy is a well-renowned foreign language institute that provides online foreign language courses such as German, French, Japanese, Spanish, Korean, Mandarin, Russian, Turkish, Italian, Arabic & IELTS. Whether you are learning languages online to study or work abroad or simply want to explore different cultures, you will find courses to assist you on your way.

There are foreign language courses designed for people who want to do business in other countries, for students preparing for AP language exams, and for people that simply want to enhance their grammar and writing skills.

You can attend foreign language classes from anywhere in the world without attending the class at the center. Virtual classrooms of Prizma Academy enable you and trainers to meet online and learn languages with the help of integrated audio and webcam tools.
