The IRCTC e-catering app is revolutionizing the way passengers can access **pure veg food in trains**. With this app, passengers no longer have to worry about finding food during their journey as they can now order pure veg meals from the comfort of their seats. Not only is this convenient for passengers, but it also ensures that they get quality and hygienic meals delivered right at their seats. The app provides a wide variety of options for vegetarian dishes, ranging from traditional Indian cuisine to international delicacies. This makes sure that every passenger has something to choose from according to their taste and preference.
