<https://www.oxigendata.com> is a **classifieds website** that is completely free for all users from all over the world. We are not particularly old; our free classified services began in February 2022. Our website currently receives 100+ average daily visitors per day. And 50 or more classified submissions per day from various locations. We are currently most popular in South Asian countries such as India, Pakistan, Nepal, Bangladesh, and Sri Lanka. However, we also offer our classification services all over the world. So, no matter where you live, come to us and post your ads for free right now.
