In these times of acute labour shortage specifically farm labour, it's becoming difficult for small farmer's of the country to find farm labour at affordable cost. Keeping this in mind, and finding solutions for these problem's, faced by all the small farmers of this country, " **Padgilwar Group**" is striving hard to find solutions for the problems of small farmers, & introducing Equipment which are affordable to them, and serving there purpose of affordable farm mechanization

The padgilwar group under the able guidance of Late Shree Balashaeb D. Padgilwar started the movement of helping farmer's with small agri equipments' way back in 1960 with lot of first, and pioneering products' starting with "Chincholi Perni Yantra" as the first fabricated machine with metal, at chincholi a small village near his native place digras in yavatmal district of Maharashtra.

" Late Shree. Balasaheb Padgilwar" was inspired by the, then very famous "Kirloskar Group" and was following their footsteps. he was also therefore called or referred " Vidharbha's Kirloskar" at that time. the group today is taking the same Vison of "Late Shree. Balasaheb Padgilwar" to help the small farmer's of our county with small equipments at affordable price and solving the purpose of farm mechanization in their fields. The group this year is celebrating 50 years of service to the framers under the logo o padgilwar now called "Padgilwar Angel".
