Palvi Masterbatches is an ISO-certified producer, supplier, and exporter of masterbatches. The company holds certifications in accordance with the ISO 9001:2015 and ISO 14001:2015 standards. They stock a wide range of masterbatches, as well as a selection of fillers, additives, as well as biodegradable paints, in addition to the former two categories. Palvi Masterbatches, a company that has been operating continuously since 1995, is dedicated to providing the plastics processing industry with exceptional goods.
