Panther Metal Roofing is a Canadian company that specializes in providing high-quality metal roofing solutions. Based in Sudbury, Kingston, London, we offer a range of products that include standing seam metal roofs, metal shingles, and metal tiles, all designed to be durable, long-lasting, and energy-efficient. Our commitment to exceptional service and quality products is reflected in the work we do for our residential and commercial customers. We have an experienced team of roofing professionals who ensure that every project is completed to the highest standards of workmanship and quality. Our focus on innovation and sustainability has made us a trusted choice for metal roofing solutions. Contact us today to learn more about how we can help you with your roofing needs.
