Nivera Paints is India's top powder coating supplier and manufacturer. We specialize in producing high-quality powder coating powder under the NIVERAPAINTS® brand name. All of our processes have been developed with a wide experience and are well aware of the powder coating industry. The powder coating is applied with spray tools, whether your industry works with aluminum, Plastics, steel, zinc alloys or iron. Companies of all sizes have different needs for their merchandise, and powder coating is a great way to keep production and the surface to be coated with powder coat must be free from oil, grease, or flash rust. Powder coating services allow professionals to create products with unique colors and textures.
