Prem Construction Metal Store is a 6 year old company with a rich legacy and a stamp of excellence in the field of Sanitary wares, and high-end bath-ware. Throughout our journey, we have been delivering world-class products and services where the quality speaks for itself. We started our journey in 2016 and over the years we have been redefining the concept of bathroom style. After the massive success of the company in the field of high-end **Sanitary items**, we have expanded our product line in the field of **Kitchen sinks, Faucets, Wellness products, Water tanks and PVC pipes**. We have a dedicated team excelled in providing quality services to our customers and that's what has made us the market leader in the industry.

At Prem Construction Metal Store we offer an extensive range of products such as **Ultratech cement, TMT bars, Birla White putty, Asian paints, Tisva fancy lights, Modular kitchen, Sakarni Pop, Sanitary ware, Bathroom accessories, Faucets, Kitchen sinks, Bathroom vanities, Antique Hardware items and Wellness products** that are precisely handpicked by experts from various parts of the globe to meet our customer requirements.
