PMI (Production Modeling India) is an **Operations Consulting Firm** founded in 2006 as the Indian arm of PMC (Production Modeling Corporation). It has been providing Operations Improvement services to its clients for over 32 years. Over the last 16 years, PMI has completed several Industrial Engineering and Simulation projects in India and around the world for various industry sectors, including Automotive, Auto components, Two Wheeler, Pharma, Steel, and Service. The PMI team is growing steadily, with more experienced and enthusiastic consultants selected and trained through our unique processes. PMI's vision is to be a full-service engineering consulting firm providing high ROI solutions to clients across the globe.
