Thanks to the paucity of space and increase in rent the concept of co sharing offices has become a huge success in India like overseas. The PRS Associates LLP is a Jaipur based company that has launched this concept of co haring offices called **cowo.co.in**. Owned by Subir Biswas, they offer office solutions to companies comprising from one person to multiple people. They also offer private cabins for companies to hold confidential meeting with their clients. They also offer on rent office amenities like meeting rooms, training rooms and conference rooms. In keeping with the importance of technology, they also have a virtual office for companies for rent.
