STEEL FENCING for property and garden borders, security fences, pool enclosures, and various perimeters.

Our steel fencing typically comes in tube fences and wire fences, available in a variety of styles, from traditional wrought iron fences to modern designs.

PuSheng steel mesh fencing and steel bar / tube fence panels mainly include: ornamental steel fence, welded steel mesh, chain link steel fence, anti-cut steel fencing, high security chain link fence and weld fence with concertina razor wire.

Steel fencing supplies a physical barrier difficult for intruders to get in, and can also be aesthetically pleasing. Some types of steel fencing include powder-coated steel, galvanized steel picket fences, wrought iron fences, and ornamental steel fences. Steel fences are strong and durable, and they can last for many years with proper maintenance. They can also be customized. <https://www.steelfencing.org>

We supply fence panels, gates and **fencing accessories**, including posts, post spikes, razor spikes, staples and etc.
