We are the leading manufacturer and supplier of quality winding wires in the electrical equipment industry. Our products are utilized in various equipment including transformers, cables, transmission lines, switchgear, capacitors etc. Our success lies in our continuous commitment in providing quality products, emphasis on technology and customer-centric approach in delivering the finest products year after year for five decades. Our belief in these values has not only made us the leader but also an "industry standard" for winding wires. Our future plans include to further expand our business in global markets with the same commitment and passion.
