SANITIZATION SERVICES IN DELHI

Keep Customers and Employees Safe

AKS FACILITIES offers cleaning and disinfecting services that help clients maintain healthy operations and Stay before The Curve. From enhanced touch point cleaning to turnkey janitorial programs, AKS FACILITIES works with clients on a national scale to deploy solutions that keep customers and employees safe.

Cleaning and Disinfecting Programs Tailored to Your Needs - AKS FACILITIES works with clients to make programs that fit the requirements of both individual sites and therefore the requirements of huge corporate entities. Working with municipalities, schools, and businesses, We utilizes best practices across markets to deliver solutions for professional cleaning and disinfecting.

Stop the Spread of Infection with Disinfection

We offer a variety of disinfection services ideal for all kinds of business; from hospitals to restaurants to manufacturing to universities to offices. Your normal cleaning routine can minimize surface level germs but professional disinfection takes this to subsequent level. Our local certified hygiene technicians use specialist equipment to eliminate harmful bacteria and germs; supplying you with peace of mind that your facility is safe.

*Specially trained local hygiene technicians

*Minimal disruption to your business – an agreed pre-determined schedule

*Areas closed off for safety during the disinfection process

*Maximum coverage – ability to disinfect hard to succeed in surfaces and enormous areas

*Added protection for your workers and customers

TEAM SIZE: 1 - 5 PERSONS DEPEND UPON THE AREA TO BE SANITIZED
