Scipeptide was set up in 2004 in Shanghai China, which is an earlier-established peptide company. Our employees have rich and long-standing expertise in custom peptide synthesis. Our team of approx. 70 highly trained and skilled employees has built a substantial know-how in all areas of peptide applications and is the basis of our success. Scipeptide has a work force of >50 highly trained and skilled employees. 20 of our co-workers hold a university degree and 15 have a PhD in natural sciences. The success rate is higher than others. Custom Peptide synthesis
