Environmental Protection Hollow Ball

Shaoxing Shangyu Peijie Import & Export Co., Ltd. was established in 2018. It is a professional foreign trade company dealing in import and export trade. It carries out domestic and foreign trade, joint ventures, cooperative production, re-export trade business and other ways. We have two own factories, producing plastic balls and stainless steel balls respectively.

Stainless Steel Ball

Shaoxing Shangyu Aoke Plastic Ball Factory is a professional enterprise that produces all kinds of sphere products, integrating R&D, production and trade. It was established in 2008. Its home has been producing stainless steel balls for 13 years and has extensive experience in the control of the level and precision of spheres.

The company produces plastic balls of various materials such as POM, PP, ABS, PE, PTFE, PA6, PA66, etc. The product specifications range from 0.5mm to 150mm, and the highest grade can reach GO.
