Sire Ayurveda

Sire Ayurveda is GMP certified and ISO Compliant Company based at Bathinda, Punjab. We are into Ayurvedic preparations since 2005 and overall in business for more than 40 years. Now our scope of work includes variety of proprietary medicines as well job assignments. Our network and supply range is all over Punjab, Parts of Haryana and Chandigarh. We are glad to mention that some of our job assignments reach nationwide as well as abroad. We have plans to expand and soon we are launching our range of cosmetics and tablets.

Our core Values

Ayurveda is not just about cure but prevention. We don't compromise on quality and advise all our prospective dealers and customers to respect the same. Sire Ayurveda is not only just a business to us but is way of our living, thinking, and acting.

We believe "Truth" in all spheres of life and hence our products are best to their qualities. We treat our customers as our associates and deal transparently. At the same time, we respect privacy and data of respective clients is not shared with others.

Sire Ayurveda is a work place where employees are now associated with us since years. This gives us immense satisfaction as we mean to grow together and look the same way at all our stakeholders.

Our Vision

Our vision is to see all healthy and hailing! We see Sire Ayurveda as a commercial initiative that holds social values with ethics. As a business house we don't put any limit to our reach.

Our Objectives

We thrive to create a niche for Genuine Ayurveda based preparations. Our motive is getting people cognizant about self-care using ayurveda recommended practices. We aim at building a work environment that is social and where everybody is growing together. Our goal is getting reached to maximum household with consent for better life style and better health conditions.

Production Values

Sire Ayurveda has a wide range of products, Capsules, liquid & oil based and soon cosmetics & tablets will be added. We have developed a state of art R&D facility that keeps on researching ancient, traditional and modern knowledge bases. We follow strict codes of action and procedures where minimum handling with hands is ensured and all products are packed with utmost care. Sire Ayurveda has capacity to serve on short notices and has back up to boost production to meet up demands.
