Application

We supply Threaded Fitting to a wide range of industries:

Chemical manufacturing process

Oil, gas and petroleum

Paper industry hydraulics and factory processes

Shipbuilding

Building services

Water industry

Nuclear industry

Biofuel manufacturing

Automotive paint spray systems

Food manufacturing processing

Our Advantages:

*** PRICE ADVANTAGE**

Have our own factory, over 40 tons/monthly production capacity. Stainless Steel Thread Fittings price is more competitive than others.

*** DELIVERY ADVANTAGE**

The delivery date is short, 1-3 months production time, give more support for your whole sale & projects.

*** EXCELLENT QUALITY**

ISO9001 among the production line, guarantee the time as well as quality.

With 10 years' export experiences, our thread fittings, ball valve, butt weld fitting and stainless steel flange has been welcomed in international markets
