Super Tadapox is a productive medicine that works on treating Erectile Dysfunction (ED) and Premature Ejaculation (PE). It has an active component of Tadalafil 40mg and Dapoxetine 60mg respectively. The medicine is manufactured for RSM Enterprises. The medicine is useful to cure the illness of sensual dysfunction in men. It helps improve the sensual quality life of a person. The effect of medicine helps increase the flow of blood in the penile area by expanding the blood vessels to ensure efficient and delayed ejaculation while providing satisfactory results. **Super Tadapox** works simultaneously to treat both the condition of ED and PE in men. The medicine works effectively, safely for sensual performance in men. It has a powerful impact with rapid onset to work within 30-60minutes of medicine consumption. The medicine dilates in the blood faster and has a lasting impact for more than 5 hours. The medicine provides treatment for symptoms and signs of other sensual health conditions.
