Caring for dogs demands both dedication and sufficient funds. If you have experience as a dog owner, you are aware of the dog expenses involved in maintaining a dog's well-being. At VOSD dog sanctuary, we provide shelter and care for over 10,000 severely injured stray dogs, and meeting their basic needs requires substantial financial resources. If you wish to join us in our mission to enhance their lives, you can contribute by donating funds to support our sanctuary. Your generous contribution will make a significant difference in the lives of these dogs in need
