We believe in the power of food to inspire compassion for others and for oneself. That's why at Annakoot, we promote vegetarianism as a lifestyle—and as a way of life, we've found that you can't beat the taste of Satvik Food. We draw on the Vedic recommendations of the nature of different types of Satvik Food to create signature sattvic dishes that are succulent, healthy and satisfying to the heart. And when you dine at Annakoot, you'll find yourself surrounded by the tranquility of a temple, which we think is just perfect for all those who seek to be inspired by their meals.
