TechnoCare InfoSolutions was founded in 2011, and since our first day in business we've provided high quality repair services to local residents in the Borivali area. We are a family run computer & laptop repair business in Borivali, Mumbai with Mr. Nishant Akre at the helm.

From an early age, Mr. Nishant had an affinity for working with his hands and deconstructing and repairing electronics and gadgets. After completing his education in I.T. programming and services, Mr. Nishant began to build and repair computers for family and friends; the rest is history.

Now working in **Information Technology** industry for over **25+ years**, Mr. Nishant has obtained an outstanding reputation with a plethora of happy customers and countless recommendations.

We are committed to help make your life easier. Our Laptop Repairs are available to all of our clients, when they need them the most. We provide specialized and expertise services for all leading computer brands like HP, Dell, Lenovo, Acer, Asus, MSI, Gigabyte, Toshiba, Samsung, Sony Vaio, Transcend, Crucial to name a few.
