ThinkPalm is a product engineering and software services firm focused on the Enterprise, Communication, and Mobility areas.

ThinkPalm's end-to-end corporate mobility services have assisted several businesses in transforming from start-ups to industry leaders. Our engineering skills in the communication area make us a suitable partner for R&D services in this sector. We are in the forefront of developing new solutions and services, carving out a space for ourselves in R&D.

ThinkPalm was one of the proud winners of the India SME 100 Awards 2019.

Our expertise lies in:

- Robotic Process Automation
- IoT Application & Platform development
- AI Services
- Customized Application Development (Web & Mobile)
- Embedded/Protocol development
- Automation Testing Services (Telecom & Others) & DevOps
