TridIndia is one of the translation giants in the field of multilingual translation, interpretation, transcription, localization, voice overs, dubbing, sub-titling and even multilingual DTP. With a view to provide authentic translation solutions to the entire global marketplace, we have a strong team of certified engineers, linguistic experts, proof-readers and project managers at your disposal. Also, when it comes to IT/Technical translations, our team amalgamates their technical knowledge with that of translation skills, in such a manner that becomes an epitome of fine perfection and brilliance.
