kig10051Height: 14 Inches; Width: 11.4 Inches This beautiful and unique Hamsa Hand artwork is made by gluing 10 mm quilling paper strips to card stock paper in a design. The artwork is about 8inx10in and comes matted in a 11.4inx14in color white mat. It's ready to be framed in 11.4inx14in a deep frame or shadow box frame. This decorative piece uses a technique called Quilling or paper filigree. It will add interest and brighten up any wall or corner. This exquisite piece is made with lots of love, happiness, hard work and patience. It's a perfect gift for you or someone special who admires handmade art. It can be great gift for a birthday, anniversary, house warming or just any occasion. Please note- most of my quilling pieces use slightly rough edge strips to give the textured look. Since the artwork is made by gluing paper so seeing a bit of clear dried glue is usual. Also the colors you see on your screen may vary slightly from the original piece due to different screen settings. All artworks made using acid-free paper in a pet-free, smoke-free home.
