We mentor and motivate the student through the complex application process. We engage with a select number of students every year. Our USP lies in personalized and hands-on guidance throughout the journey. We offer educational consulting & overseas educational counseling in Delhi and other additional support as we have the expertise to provide counseling for countries such as the USA, Europe, Singapore, Hong Kong & Canada.

We provide the best educational consulting service in India & our educational counselors work with students for prospective freshmen through the application process to universities abroad including but not limited to the US, UK, Canada & Singapore.
