As one of the largest manufacturers and exporters of insulated copper wire in India, Vidya Wires has over 30 years of experience. Located in Gujarat, the company offers copper products such as copper wires and copper wire strips, paper-covered copper strips and wires, and copper tapes. Having a highly trained workforce and innovative technology infrastructure allows them to meet the needs of the market today and in the future. With their latest machinery in their manufacturing facility, they have the ability to manufacture products that meet specific client requirements at a low production cost. By means of continuous innovation and product upgrading, Vidya Wires has come a long way since its founding in 1981. Over the years, Vidya Wire has been honoured with 12 awards. The company has received several important recognitions at the national level, including its performance in the industry, its leadership in outsourcing, and its progress in various industry verticals.
