ZeroB is India's most trusted brand when it comes to solving water purity issues at home. With a 35 year legacy of being the country's pioneering water brand and a part of the public listed Ion Exchange Group, ZeroB experts are on a mission to solve the country's drinking water problems, one home at a time. With a range of RO & UV Purifiers, Softeners, **Suraksha tap** and Suraksha plus pro gravity filter, Sand Filters, Coolers, and more, our innovative products are always way ahead of the curve when it comes to serving pure drinking water to every Indian.

At ZeroB, every product is crafted with meticulous attention to detail so that it provides ultimate protection against all water-borne diseases and ensures complete protection to your family. ZeroB has proved to be the instigator of many path-breaking innovations in the field of technology and marketing to provide a one-stop water treatment solution for your home and the community in general. It promises to offer you water that is pure and safe for drinking.
