Zimyo offers businesses an end-to-end platform for HR, payroll, performance, engagement, and benefits.

Catering to the trust of 1000+ customers of various organizations, Zimyo aims to provide the #1 Employee Experience Platform to the organizations.

With our solutions, organizations have experienced reduced employee attrition, increased retention, and employee engagement by 2.5-3x. Some of our top clients include Bajaj Capital, Amity University, Riskcovry, Daciel, fleetx, imocha, and more.

Zimyo was founded in 2018, with the idea to build a platform that helps data-driven organizations delightful employee experiences. The founding members Kumar Mayank and Ajay Singh enabled the team to develop intuitive and innovative HR solutions that simplify complex HR processes.

Our solutions enable hundreds of organizations to improve their key metrics by minimizing their employee onboarding time, turnover ratios, improved ESS procedures and help desk, and much more.
