Contact Person**Mobile Number****Email**

zyduscomposites@gmail.com

Zydus Composites manufactures Carbon Fiber composites in a wide range of tubes, rods, sheets and CNC machined parts. Our composite division is a part of a well-diversified industrial group with more than 30 years old having commenced operations in 1988 in a collaboration with a German business house in the field of metal forming. With the product development team and in-house manufacturing facility, we also have the capacity to develop customized composite parts.
